

Clarification: Re-enrollment Payment (\$50) and Registration Needed by March 9!

We do want to apologize for the anxiety caused by the short time period for re-enrollment at the rate of fifty dollars per child. Call us if you are in a financial bind and we believe that we can help you resolve the problem. The School Board and Deacon Board need accurate re-enrollment information by March 10, for an important planning meeting.

Important Survey Coming Soon.

Next week we will be sending a very important survey to you. The survey is anonymous so that you can be free to give your thoughts. We need to know what we are doing well and what you value so that we can continue to deliver good service for you and for God. Similarly, we need to know what we need to improve, as we are challenged in Colossians 3:17 to do all things as unto God. Furthermore, we need information that will help for long term planning.

CCS Web-Site is Back After a Long Vacation

Michael Woodruff, an attendee of Calvary Baptist Church, is rebuilding CCS's website. By profession, Mike is a Sr. Systems Administrator. We are very thankful for Mike; he is very competent, efficient and has demonstrated great patience. Mike and Jennifer live in Bellefontaine and have a set of seven year old twins. By next school year, our goal is to have a web-site that you can go to for much of the information that you desire. Please let us know by phone, email or the survey what information you would like on the web-site. You can check out his work at www.ccsspartans.com.

A Note from John Taylor, Interim Administrator

This past week volunteerism has been everywhere. We have had adult volunteers judging student speeches, preparing and serving lunches, helping in the classrooms, teaching art, working in the library as well as preparing for the benefit auction and the benefit concert. Our eighth grade students also serve an hour a week helping staff members or younger students. If you have time, volunteer; it will help you develop a relationship with your child's teachers and fellow parents. Furthermore, you will be able to closely watch your child develop. Someone had it right when they said, "Volunteers are not paid - not because they are worthless, but because they are priceless." - Anonymous www.imert.org/links/IMERTLinksofInterestQuotes 12:15 P.M. 2-20-09
